UUCA Giving Tree

Thank you for giving a newly arrived refugee a gift this holiday season! You are not only providing much needed items, you are also extending an incredible welcome to refugees recently resettled in our community. Here's what to do:

1) Pick an ornament from the Giving Tree. This will have the individual's name, age, native country, and code number. **Once you've chosen a refugee(s) to gift, please sign-up on the sign-up sheet!**

2) Go shopping! Refer to the Wish List on the back of this form for ideas. All items should be new. Please limit your spending to a maximum of $100 per person. If you'd like to spend more, please feel free to choose more than one ornament!

3) Put your items into either reusable items such as laundry baskets or backpack that will be useful to the recipient or a large, brown lawn and leaf bag (one per recipient). Please DO NOT WRAP items. All gifts will be checked before being distributed.

4) Tie or tape the ornament on the bag or container. If you have larger items that don't fit into one receptacle, please copy the ornament and place it on each item. This is how we will know which gift goes to which person.

5) Bring the gifts to the UUCA Giving Tree. Staff and volunteers will be on-hand and ready to receive your gifts on Sunday mornings after each service and Wednesday evenings December 6 – December 17. Gifts may be placed under the tree at other times if necessary. Please be sure to hand in this form along with the gifts.

6) Volunteers will be present at the Giving Tree to collect gifts. Gifts unable to be ready by December 17 can be brought to the IRC office: 2305 Parklake Drive, Suite 100, Atlanta, GA 30345.
